September 19, 1951

Mr. Allen W. Dulles  
Deputy Director  
Central Intelligence Agency  
Washington, D. C.

Dear Allen:

25X1A2G

Attached hereto is copy No. 33 of emergency plan [REDACTED] approved by this Board and to become effective immediately upon break-off of the current Korean Armistice negotiations. I understand that CIA, State and Defense are now preparing operational plans in accordance with the allocation of responsibilities set forth in the general plan.

For your information, I have sent the plan, together with Annexes (A) through (F), to Mr. Barrett as Chairman of the Psychological Operations Coordinating Committee, with the request that he arrange through the Committee to monitor and coordinate the overt implementation of these annexes. I think it will be helpful to our Office of Coordination if similar action to coordinate the operational planning under Annex (G) is taken through a PSB panel, chaired by ADPC, and made up of the consultants appointed pursuant to NSC 10/2. This panel will be assisted as necessary by our Office of Coordination. I will appreciate it if you will let me know whether this is an appropriate and practicable procedure.

In view of the present status of the negotiations, I will be grateful if I can be informed as soon as possible by the Panel Chairman that the operational planning has been accomplished. If it becomes necessary to put the plan into operation a progress report, within a reasonable time thereafter, should also be made by the Panel to this Board.

With kind personal regards,

Sincerely,

Gordon Gray  
Director
